

— Fire Pit Rules —

Hours of Operation:
Every day 6 p.m. to 10 p.m.

How to Operate: Green start buttons are located on the west side of the fire pit. Once started, the fire pit will remain on for a set time and then automatically turn off. Red buttons located underneath the green buttons can be pushed to manually turn off.

- **Fire pit has open flame. Surfaces areas can become extremely hot and can cause burns.**
- **Children must be supervised around the fire pit.**
- **Fire pit is designed for use with natural gas only. Charcoal or other fuel sources are strictly prohibited.**
- **Prior to use, please make sure surrounding area is free from any potentially flammable items or debris.**
- **Do not use fire pit for cooking or heating food.**
- **Please follow above instructions on how to light fire pit.**
- **If smell of gas is detected, immediately activate the emergency button located south of the fire pit and call 911.**
